Alliance, Staples**

Please view the pre-requisite webinar prior to June 29.

MNVest Security Crowdfunding

Presented by Chris Hanson

<https://youtu.be/1c0MMkN-yA0>

MNVest Legislation:

Minnesota Crowdfunding for Company Equity
MNVest is an exemption to the federal securities laws that will allow
business owners to raise capital through advertising to non-accredited
investors. Allows the purchase of small amounts of ownership (typically
\$10,000 maximum) by non-accredited investors.
