

***Tad Erickson, Community & Economic Development Planner,
Email terickson@regionfive.org 218-894-3233 Ext. 7***

Mr. Erickson has been a Region Five team member since 2010. He is currently the Regional Transportation Planner, responsible for planning and programming of several State and Federal Transportation programs and initiatives including oversight of the Transportation Alternatives (TA) Program, Area Transportation Improvement Plan (ATIP), Safe Routes to School planning (SRTS) as well as facilitating the 19-member Transportation Advisory Council (TAC). In addition to these and other transportation related responsibilities, He is also charged with all aspects of Hazard Mitigation Planning and implementation and is also engaged in Comprehensive Planning for several communities throughout the region.

Previously Mr. Erickson served Region Five in the capacity of Community and Economic Development planner (2010-2013). He earned a Bachelor's of Science Degree in Business with a Finance concentration from Pensacola Christian College (2004-2009). Minor in Public Administration, and History, other areas of study include Marketing, Commercial Art and Theology/Biblical Studies.
